

RUN YOUR BUSINESS MORE EFFICIENTLY WITH AUTOBOOKS

When running a small business, we know time is money. That's why Wright-Patt Credit Union® (WPCU®) offers our business members digital invoicing and payment acceptance capabilities, powered by Autobooks* — an easy-to-use solution that includes everything your small business needs to get paid and stay on top of customer payments.

Payments & Invoices are conveniently available within online and mobile banking and your customers' payments are deposited directly to your WPCU business checking account.

There are no monthly fees, annual fees, or flat fees associated with accepting payments and issuing invoices — instead you simply pay a competitive payment processing fee each time you get paid.

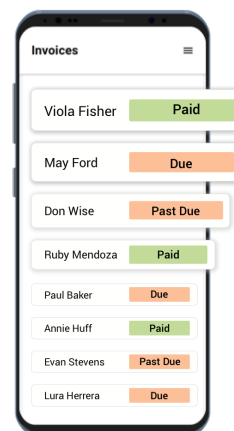

Send a Professional Invoice Right to Your Customer's Inbox

Create and send a great-looking invoice in minutes. Delight your customers with easy online payment options. You'll be able to see who paid their invoice, and who is past due.

The screenshot shows a professional invoice from Sprinkles Bakery. At the top, it includes the bakery's name, address (123 Grand River Ave, Detroit, MI 48226), phone number (817-555-1234), and email (sally@sprinkles-bakery.com). The invoice is dated 7/18/2019. The customer is Rocky Balboa. The product/service is Baking, and the description is Birthday Cake - July 18th, with an amount of \$54.99. The total amount is \$54.99. The invoice includes a 'Thank you!' message and is powered by Autobooks.

Payments Go Right into Your Business Checking Account

You can share payment links with your customers via text (SMS), email, QR code, or by adding the link to a page on your website, and in just a few clicks, your customers can pay you with their debit card, credit card or via an electronic bank transfer. Payments are deposited directly into your business checking account.

Always Know Your Payment Activity

Quickly see who opened your invoices, who made a payment and who still owes you money. You can also access more detailed reports, such as Balance Sheets or General Ledgers.

Accept Electronic Payments

Enroll in debit card, credit card, or ACH payments to make it easier for your customers to pay.

Automate Your Business' Accounting

Autobooks connects directly with your business' accounts, allowing you to streamline your accounting processes. You'll save time by eliminating batch transaction downloads and matching, and you'll always have a handle on your business' financial picture with real-time reporting. **And best of all, you can try Autobooks for automating your business accounting free for 60 days and pay only \$9.99 per month after that.****

Manage Cash Flow

Autobooks consolidates all your incoming and outgoing money through a single portal, making it easier to manage your cash flow and providing you enhanced forecasting capabilities. You can also assign varying approval settings for your employees based on their role and responsibility.
