DIRECT DEPOSIT

With all of your daily responsibilities, it sometimes can be hard to find even five minutes to visit a Member Center to cash your paycheck. Direct deposit helps save that time for you.

Whether it's your net pay, a payroll deduction or military allotment, WPCU's direct deposit is one of the best time savers for our members. Once set up, your funds will automatically be deposited into your account of choice, eliminating your need to deposit your check in person. Plus, a portion of your payroll deposit can automatically be transferred to any savings or checking account, or to any loan payments you wish. All you have to do is tell us where the money should go, and we'll do the rest!

To start using WPCU's direct deposit, talk to your employer's payroll department.
