

FREE FINANCIAL COUNSELING

At Wright-Patt Credit Union (WPCU), we strive to offer you the tools you need to manage your money, get out of financial difficulties, and live the life you want to live. Through our partnership with GreenPath Financial Wellness, you have access to a variety of financial assistance, including certified counselors on site, a full-service call center and financial education to help you achieve your goals.

We can help with:

- Personal and family budgeting
- Understanding your credit report and how to improve your credit score
- Addressing foreclosure, repossession, legal action and shut-offs
- Managing debt – bills, credit cards, student loans and more
- Pre-purchase housing counseling

Set Up a Debt Management Consultation with a Certified Counselor

During a free consultation with one of our certified counselors, we can decide – together – the best solutions for you. Our counselors are certified by the National Foundation for Credit Counseling, receive complete intensive training that is periodically updated, and have passed the applicable state-administered exams. Debt repayment programs are available and are designed to fit within your financial means. Any fees are reasonable and based on your ability to pay.

Counselors are available for one-on-one appointments at many of our Member Centers and a full-service call center is available by phone at (888) 893-2713. Call to schedule an appointment or to speak to someone today.
