When to Borrow Money

Some purchases can be very large, and we might have to ask for help to cover the cost. This is called borrowing. Circle the purchases you may need to borrow money for.

Your Third Stop is Borrow. Sometimes we share a pencil or crayon in school with our classmate. Borrowing is just like that! You borrow money to help pay for an item and then pay it back later.

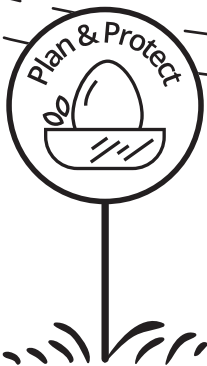

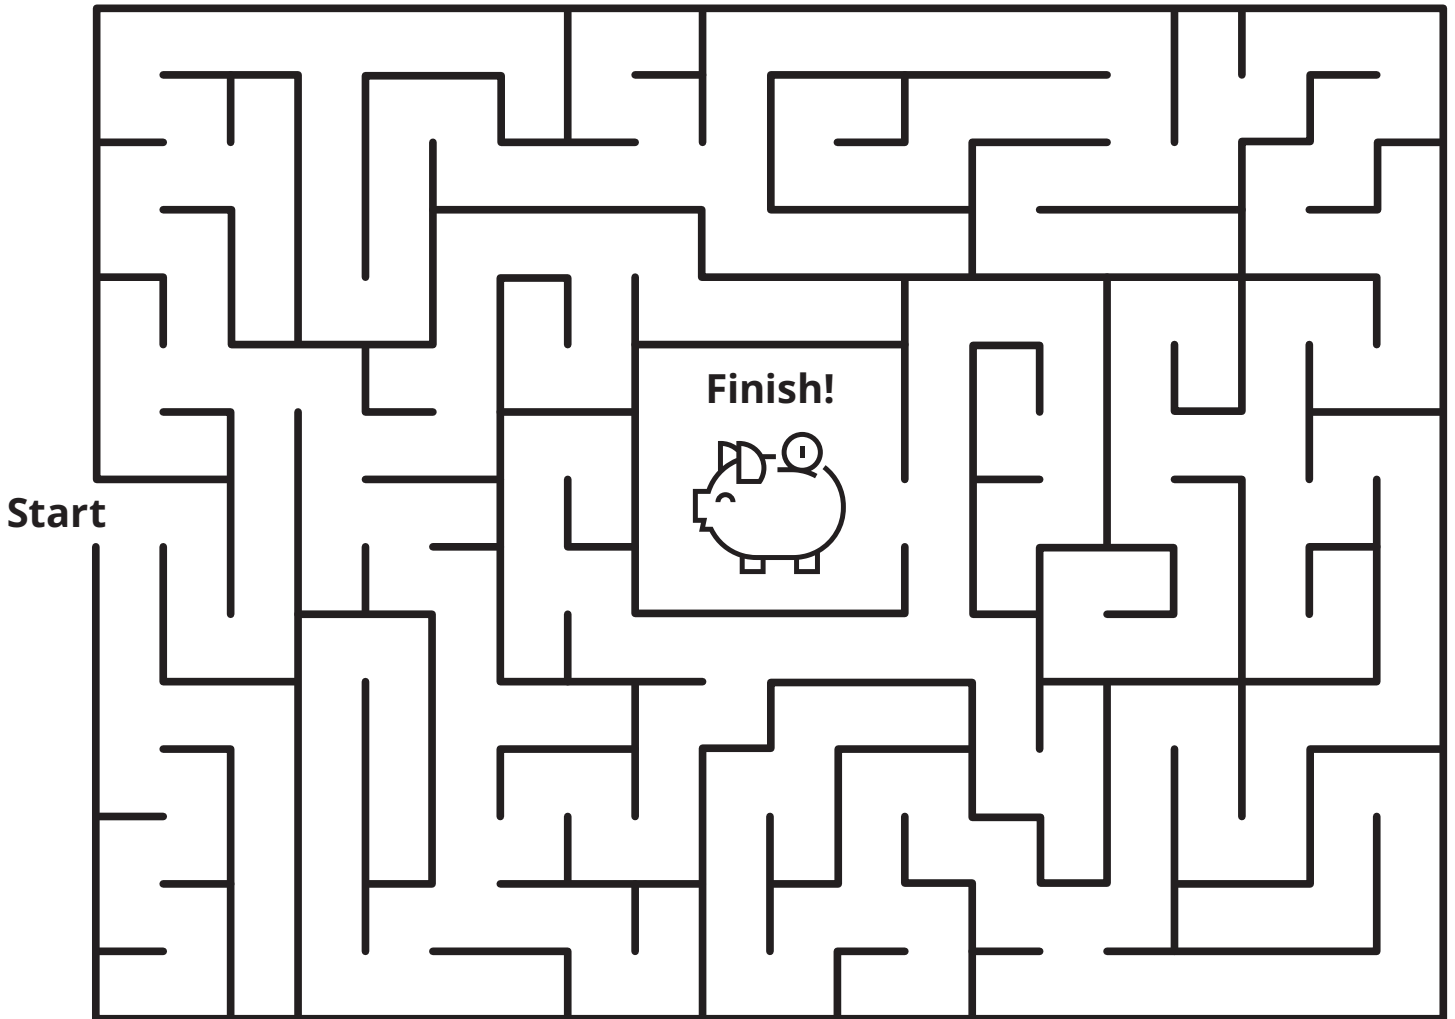

My Dream Job

It's important when borrowing money to have a way to earn money, so you can pay back what you promised. A job is one way to earn money. Draw your dream job in the bubble!
