## **WRIGHT-PATT CREDIT UNION NAMED ONE OF THE HEALTHIEST EMPLOYERS IN OHIO BY SPRINGBUK**

Beavercreek, OH – Wright-Patt Credit Union, Inc. ® (WPCU®) was named the healthiest employer in Ohio in the “500 to 1,499 Employees” category in Springbuk’s 2024 Healthiest Employers of Ohio awards, a program created to honor people-first organizations that prioritize the well-being of their employee population. This is the fourth year in a row that WPCU has been recognized during the annual awards ceremony.

“We’re immensely proud to be ranked as #1 in our category,” remarked Josh Hayes, Director of Human Resources at WPCU. “Part of WPCU’s vision is to be the best place our partner-employees have ever worked. Our wellness program was built to support that vision, providing our employees with the support and incentives they need to achieve their personal health and wellness goals.”

Springbuk’s Healthiest Employers® is an annual awards program that recognizes organizations because of their commitment to workplace wellness and their exceptional health and benefits offerings. Winners of the awards are evaluated based on the proactive measures they take to support best-in-class workforce health, evaluated by Springbuk using their Healthiest Employers Index (HEI) scoring methodology. For information on how the applications are scored, please visit Springbuk’s [methodology page](#).

The receipt of the 2024 Healthiest Employers® awards builds on a long history of workplace recognition awards. WPCU has been named one of Dayton’s “Best Places to Work” by the Dayton Business Journal every year since 2020, and the credit union has consistently received recognition as a best-in-class and healthiest employer, regionally, state-wide, and nationally.
