1 To join the Credit Union, you must meet the eligibility and membership requirements including purchase and maintenance of at least one (1) share (membership share). We need to add "For TrueSaver accounts, the minimum deposit to open the account is the purchase of one \$5.00 membership share in the Credit Union and is required to remain in your TrueSaver account."

2 To earn the higher rate on your first \$1,000.00 in your TrueSaver®, the following qualifications must be met: (1) The Primary member must provide the Credit Union with a Social Security Number or Tax Identification Number. (2) Primary members with more than one qualifying TrueSaver account will receive the TrueSaver rates specified in the Current Dividend Rates sheet for the qualifying account with the oldest open date. (3) The primary member must be a Member in Good Standing at the time dividends are paid to the account. A Member in Good Standing is any member of the Credit Union who meets all the following: (a) The member currently has at least \$5.00 on deposit in his/her TrueSaver account, and (b) The member is not delinquent on any loan obligation to the Credit Union, and (c) The member does not have a negative balance in any share account he/she owns with the Credit Union, and (d) The member has not previously caused the Credit Union a financial loss of any kind. (4) The account must have an active checking account. An active checking account is defined as an account that has a minimum of four (4) "qualifying transactions" per dividend period, in any combination. Qualifying transactions are: (a) Bill Pay Transactions, (b) ACH deposits and withdrawals, (c) Debit Card transactions, (d) Point of Sale transactions, or (e) Cleared checks. (5) The account must have at least one (1) direct deposit transaction within a 45-day period OR be set up to receive eStatements. Accounts where the primary member is 17 years of age or younger must only meet qualifications 1-3 above. The first dividend rate and APY shown on the Current Dividend Rates sheet for "Qualifying Balance" will be paid only on the portion of your average daily balance that was greater than \$0.00 but less than \$1,000.01. The second dividend rate and APY shown on the Current Dividend Rates sheet for "Qualifying Balance" will be paid only on the portion of your average daily balance that was greater than \$1,000.00. If you do not meet the rate qualifications outlined above, the dividend rate and APY shown for "Non-Qualifying Balance" will apply.
