Alerts and Notifications

eStatements and eNotices**

With WPCU eStatements and eNotices, you can reduce paper waste and receive notice of your account statement and important account activity days sooner than you would through the regular mail. eStatements and eNotices will be much more secure since they won't spend any time sitting in your unsecured mailbox.

WPCU's eStatements and eNotices are completely free and very simple. To enroll in eStatements and eNotices, simply log in to your Mobile or Online Banking account to update your statement method preference under "My Contact Information."

Once you've enrolled through Mobile and Online Banking, you will receive a notification on or around the first day of each month alerting you that your eStatement is ready to be viewed within Online Banking. In addition, you can view archived statements from prior months as well as tax statements. You can even print it if you wish to save a hard copy.

eNotices alert you when something important happens with your account like a transfer of funds from an overdraft source or maturity of your Share Certificate.

You will also receive an email letting you know when you have an eNotice regarding important account activity ready to be viewed within Online Banking.

Alerts and Notifications

When you sign up for Alerts and Notifications, you can receive customized e-mail or text messages alerting you of your account activity. You can set up notifications for your account balance, checks clearing, loan payment due dates and more!

ATM/Debit Card

Simplify college life with a WPCU ATM/Debit card. Open a WPCU checking account and receive a free ATM/Debit card (*in 3-5 business days*) that instantly combines easy ATM cash access with no-hassle purchasing power. You can use your ATM/Debit card, anywhere you see the Visa logo. Just present your card, sign the receipt and go. Life couldn't be easier!

Your ATM/Debit card also serves as an ATM card to give you additional access to your credit union accounts through any ATM with the STARsf® or Plus® logos. And to make life more convenient for you, WPCU not only owns many ATMs throughout Southwest Ohio, but we have partnered with other ATM providers giving you access to any lower-to-nofee Alliance One, CO-OP Network or STARsf® ATMs.*

Direct Deposit

With all of your daily responsibilities as a student, it sometimes can be hard to find even five minutes to visit a Member Center to cash your paycheck. Direct deposit helps save that time for you!

WPCU's direct deposit is one of the best time savers for working college students. Once set up, your funds will automatically be deposited into your account of choice, eliminating your need to deposit your check in person. Plus, a portion of your payroll deposit can automatically be transferred to any share (*savings*) or checking account, or to any loan payments you wish. All you have to do is tell us where the money should go, and we'll do the rest! To start using WPCU's direct deposit, talk to your employer's payroll department.
